HYBRID

HYBRID SERIES

Welcome to the future of grilling, American-made. The Hybrid Grill Series redefines the boundaries of backyard cuisine with the versatility to burn gas, charcoal, hardwood, and more. The Muscle and Encore are two handcrafted designs of the same masterpiece, both available in built-in or freestanding formats. They come with a variety of storage accessories and matching power burners.

Whether a freestanding cart or the built-in centerpiece of an outdoor kitchen, these luxury powerhouses will be the envy of all. There has never been a grill like it, nor has there ever been a cooking experience available to match.

HYBRID GRILLS

MORE FUEL, MORE FLAVOR

Maximum versatility, peak performance, and endless possibilities - the evolution of the modern grill is yours to ignite with the American Made Grills Hybrid Grill Series. The numbers on our gas-powered, wood-burning champions check out: more fuels mean more flavor.

Make dinner menu magic with a Multi-Fuel Tray System that burns charcoal, wood chunks, chips, and more. Enjoy superior American craftsmanship and a lifetime warranty that ensures it's the last grill you'll ever need.

Build one into the outdoor kitchen island of your dreams, or tie the patio together with a freestanding model. Either way, after one turn of a 22,000 BTU main burner, there's no turning back.

APPLIANCE COVERS

Regular cleaning and keeping your appliances covered are the best ways to ensure they last for years. Protect your outdoor kitchen appliances with our fitted appliance covers. Each cover is made of heavy-duty PVC, 100% water-resistant, UV-protected to prevent fading, custom fitted, and features soft flannel backing (to keep your steel scratch-free). Covers are available for built-in and freestanding grills, and side and power burners.v
