Conditions and Limitations:

This Limited Warranty creates a warranty period as specified in the aforementioned table, for products purchased through an authorized Napoleon dealer, and entitles the original purchaser (or gift recipient in the case where a new product is given as a gift) to the specified coverage in respect of any component replaced within the warranty period, either by Napoleon or an authorized Napoleon dealer, to replace a component of such product that has failed in normal private use as a result of a manufacturing defect. This warranty does not cover accessories or bonus items.

For greater certainty, “normal private use” of a product means that the product: has been installed (where applicable) by a licensed, authorized service technician or contractor, in accordance with the installation instructions included with the product and all local and national building and fire codes; has been properly cleaned and maintained according to the instructions; and has not been used as a communal amenity or in a commercial application. In the case of use in communal or commercial applications (where approved), the warranty is reduced to a period of two (2) years.

Similarly, “failure” does not include: damage caused by over-firing, blowouts caused by environmental conditions such as strong winds or inadequate ventilation, scratches, dents, corrosion, deterioration of painted and plated finishes, discoloration caused by heat, abrasive or chemical cleaners or UV exposure, chipping of porcelain enameled parts, or damages caused by misuse, accident, hail, grease fires, lack of cleaning and maintenance, hostile environments such as salt or chlorine, alterations, abuse, neglect or parts installed from other manufacturers. If you live in a coastal area, or have your product located near a pool or hot tub, maintenance includes regular washing and rinsing of the exterior surfaces as outlined in the accompanying owner’s manual, in order to prevent

surface corrosion. Should deterioration of parts occur to the degree of non-performance (rusted through or burnt through) within the duration of the warranted coverage, a replacement part will be provided. Parts replaced under this warranty are warranted only for the balance of the period specified in the aforementioned table

The replacement component is the sole responsibility of Napoleon defined by this warranty; in no event will Napoleon be responsible for installation, labor or any other costs or expenses related to the re-installation of a warranted part, for any incidental, consequential or indirect damages, or for any handling and transportation charges or export duties.

The use and/or installation of parts on your Napoleon product that are not genuine Napoleon parts will void this warranty, and any damages that result hereby are not covered by this warranty. Any conversion of a gas grill not authorized by Napoleon and performed by a Napoleon authorized service technician will void this warranty.

This warranty is provided in addition to any rights afforded to you by local laws. These and other statutory rights remain unaffected by this warranty provision. Accordingly, this warranty imposes no obligation upon Napoleon to keep parts in stock. Based on the availability of parts, Napoleon may at its discretion discharge all obligations by providing a customer a prorated credit towards a new product. Napoleon may from time to time update the design of its products. Nothing contained in this warranty shall be construed as obligating Napoleon to incorporate such design updates into previously manufactured products, nor shall such updates be construed as an admission that previous designs were defective.

Registering your Napoleon product confirms your warranty coverage, will expedite any warranty claims you may need to make, and provides a link between you and Napoleon in case we ever need to contact you. When making warranty claims, Napoleon representatives may request from you the bill of sale or copy, together with a serial number and a model number. Napoleon reserves the right to have its representative inspect any product or part prior to honoring any warranty claim. You must contact Napoleon Customer Service or an authorized Napoleon dealer to obtain the benefit of the warranty coverage.
